Lunch time Seminars.

School Name: PENRITH SELECTIVE HIGH SCHOOL

STW Coordinator: BRIAN KIRKBY

Key Result Area connection (background)	
Initiative outline	• To provide students with the opportunity to experience "partnership" activities with MQ University • To assist students in attending activities such as: Degree in a Day; National Youth Science Forum; Honeywell Engineering Summer School; Agriculture Careers Week etc • To continue with our successful "Lunch –time Seminars", where tertiary providers & industry representatives speak on Fridays in the Careers Room. Weekly attendance of approximately 60 students
Who supports and organises implementation?	• Careers adviser • Relevant Faculty Heads • Year Advisors (Yr 10,11 & 12)
Highlight student and/or school outcomes	• Increase in student awareness & exposure to a wide range of opportunities, through different employers & tertiary providers
2008 Enhancements	• Have whole year access to some of the Programs (eg MQ Science Forum to Schools) • Interview targeted students as part of the application process to attend external presentations & seminars
2008 Financial allocation being applied for (budget)	• Subsidy (of up to 50%) for students from low socio-economic areas, who might otherwise be excluded from these opportunities: $350.00
